

EHS Policy

[siemens.com/healthineers](https://www.siemens.com/healthineers)

At Siemens Healthineers, we participate in and live these principles in our daily activities:

1. Protect the health and safety of our employees, contractors and visitors

2. Minimize our impact on the environment and contribute to a sustainable future

3. Continuously improve environment, health and safety aspects throughout the product lifecycle

4. Comply with EHS regulations
