Are you visiting MEDICA 2019?

Then we should get together at the Siemens Healthineers Hospitality Suite
What are your challenges?
Demographic shift
Population growth
Rapid scientific progress
Staff shortage
Managing Health
Consumerism
Growing chronic disease burden
Shift to value-based reimbursement
Increasing cost pressure
Consolidation
Demographic shift
Industrialization
Rapid scientific progress
Let's face them together at the Siemens Healthineers Hospitality Suite
We cordially invite you to the Siemens Healthineers Hospitality Suite during MEDICA 2019, which will take place for the first time in downtown Düsseldorf. Take advantage of the opportunity to discuss trends, develop solutions, and deepen your partnership with us – in the special ambience of this unique location.

We look forward to your visit!
Experience a new era of ultrasound

Right next-door to our meeting room, you'll have the opportunity to experience next-generation technology by working hands-on with our completely new ultrasound system.
See you in Düsseldorf

Would you like to participate? We're happy to hear it! To improve our planning, we'd be grateful if you'd contact us by October 31, 2019.

Please let your Siemens Healthineers contact person know by e-mail what topics you'd like to discuss with us and when and with how many people you'll visit the Hospitality Suite.
Siemens Healthcare GmbH has strict guidelines for dealing with business partners and third parties in the form of our Business Conduct Guidelines. These and other company-wide regulations, as well as the obligation to comply with various association regulations, are intended to ensure maximum transparency and security.

When accepting the invitation, we therefore assume that your superiors have been informed, that the invitation does not violate any rules and guidelines applicable to you, and that there is no danger of a conflict of interest.
