MAGNETOM Espree — Open Bore MRI

Quality, Accuracy, and Comfort

- High power: MAGNETOM Espree delivers **1.5T quality images**, so your patients can rest easy inside and you can rest easy with a **confident diagnosis**.
- The Open Bore **accommodates patients of all sizes**, including the obese, elderly and children.
- Perfect for those who get anxious or claustrophobic during an MRI.
- **One foot of spacious headroom:** your patients won't feel like they're nose-to-nose with the top of the magnet.
- Due to its short design, 60% of exams can be done **with your patient's head outside of the system**.
