**The room they need.
The MRI scan they deserve.**

MAGNETOM Verio.
3T + 70 cm + Tim.
The most exciting equation
in MRI.

MAGNETOM Verio's extra-large open bore can accommodate more types of patients, including the obese and elderly, and is excellent for those who get claustrophobic during an MRI.

**Patients who need more room
shouldn't have to sacrifice quality
or comfort when they get an MRI.**

- The extra-large Open Bore accommodates more types of patients, including the obese and elderly, and is excellent for those who get claustrophobic during an MRI.
- One foot of spacious headroom: your patients will no longer feel like they're nose-to-nose with the top of the magnet.
- High power: 3T MAGNETOM Verio delivers extraordinary images, so your patients can rest easy inside and you can rest easy with a confident diagnosis support.
- **Available now at our Imaging Center!**
