Set the mood for your next MRI

The 3T MAGNETOM Skyra: a new MRI that offers custom mood lighting.

Does the thought of an MRI make you a little nervous? We understand. That's why we now offer a new technologically advanced MRI — with a twist.

Not only does it provide a wide, **Open Bore** design and faster scans, but you can even choose the lighting color that suits you best!

The result is a more relaxed, comfortable exam for you — and better diagnostic confidence for your doctor.

Puts you in a better mood already — doesn't it?

Ask your doctor about the 3T MAGNETOM Skyra today.

Now with soothing Illumination MoodLight™
