Not all MRI systems are the same!
The new 1.5T Open Bore
MAGNETOM Aera

Introducing MAGNETOM Aera, a new 1.5T MRI that's as unique as your patients!

Its innovative Tim 4G and Dot technology provide fast, personalized scans tailored to body type and specific needs.

Patients up to 550 lb/250 kg can experience a more comfortable exam in the spacious 70 cm Open Bore, and you'll love the powerful magnet which delivers high-quality images for a more confident diagnosis.

Choose the MRI designed with your patients in mind!

Call ABC Imaging and ask about the new MAGNETOM Aera!
