Subject: Siemens Healthineers Legacy Product Phase-Out Announcement

Dear Valued Customer,

Siemens Medical Solutions USA, Inc., Ultrasound Business Area announces the End-of-Life status for the products defined in Table 1, effective December 31, 2019. The End-of-Life milestone for the listed products marks the conclusion of Siemens Healthineers ability to service the products for safety and effectiveness. Additionally, Siemens is unable to provide any service support beyond this milestone date.

In keeping with industry best practices we recommend replacing your system with one of our many current and supported devices in our growing portfolio.

Siemens Healthineers appreciates your longstanding loyalty and commitment to our brand and products and invite you to reach out to a Siemens Healthineers sales representative to learn about the next generation of offerings that can help improve your clinical practice.

Sincerely,

James D'Amico

Siemens Medical Solutions USA, Inc.
Ultrasound
Global Product Marketing Manager
