Mobile MR Imaging Suite

High-quality imaging when and where you need it

siemens-healthineers.us/mobile-mri

A mobile MR imaging suite provides your practice with greater flexibility, without compromising performance or patient satisfaction.

Mobile MR imaging suites include a MAGNETOM scanner installed in a certified third-party trailer. Each scanner comes equipped with innovative technologies, delivering exceptional image quality, efficient workflows, and increased patient comfort.

Whether you need a permanent scanner to accommodate new exams and growing volume or a temporary scanner while you upgrade or replace an existing system, a mobile MR suite delivers the right solution when and where you need it.

Now available
MAGNETOM Aera 1.5T Mobile Imaging Suite

Our market-leading scanner offers:
