Ysio: Triangle Appears Beside a Study in the Exam Manager

1. Issue: When selecting a patient from the worklist, the Exam Manager will open and the selected exam appears with a triangle beside it.

2. Make a note of the exam with the triangle and relay information to super-user. This can be fixed so that the triangle does not appear next time. For assistance, contact USC 800-888-7436 for applications support.

3. Meanwhile, highlight the exam with the triangle. Select an appropriate replacement exam from the available exams list (left side) and replace the triangle exam.

4. Repeat steps 2 and 3 for every exam that has a triangle.

5. Select Examination and proceed with the Exam.
