ACUSON S Family™ Ultrasound System
Deleting Exams from the Database

1. Press Patient Browser (F2) to open the Patient Browser.

2. Select Local Database.

3. Select Exam(s) that you want to delete. If deleting multiple exams is desired:
   - Select the first Patient Folder that you wish to delete
   - Press and hold the Shift Key (range of studies) or the Cntrl Key (individual studies)
4. Select the Delete icon.

5. Select Yes from the Delete Confirmation message.
