Luminos dRF: Deleting Images from the Recycle Bin

1. Note: The Recycle Bin does not Auto-delete and therefore must be deleted manually by the user.

2. Select Patient Mode > Settings > Recycle Bin

3. Highlight the patient(s) whose images you would like to delete. You may also use the Select All icon.

4. Select the Empty the Recycle Bin icon.

5. Close the Recycle Bin by left-clicking the Recycle Bin icon again.
